

The twenty-second meeting of the National Payment System Committee, 21 May 2013

National Payment System Committee sets up working bodies for SEPA project

The National Payment System Committee (hereinafter: "Committee") held its 22nd meeting on 21 May 2013, chaired by Vicegovernor of the Croatian National Bank Adolf Matejka. The organisational issues related to the implementation of the SEPA project in the Republic of Croatia were discussed at the meeting. Following the adoption of the Annex to the Agreement Establishing the National Payment System Committee, formal assumptions were created for amendments to the Rules of Procedure of the National Payment System Committee, so that the members of the Committee approved the amendments to the Rules of Procedure of the National Payment System Committee at the meeting. In this respect, the Committee adopted the Decision establishing the Croatian SEPA Coordination Committee (CSCC) and the Decision establishing the Croatian SEPA Forum (CSF).
