

## International cooperation with supervisory authorities

---

Published: 30/6/2015 Modified: 10/2/2016

The basis for cooperation with foreign supervisory authorities which are competent for credit institutions in majority foreign ownership are bilateral agreements concluded between the Croatian National Bank and representatives of foreign countries.

The basis for cooperation with foreign supervisory authorities which are competent for credit institutions in majority foreign ownership are bilateral [agreements](#) concluded between the Croatian National Bank and representatives of Austria, France, Italy, Hungary, Germany, San Marino and Turkey. Agreements between the CNB and the supervisory authorities of Bosnia and Herzegovina and Montenegro are associated with the supervision of credit institution subsidiaries in these countries.
